# DEDICATION

For your many years of hard work and dedicated service to the students of Weaver High School, we, The Class of Nineteen Hundred and Ninety Five, would like to congratulate you on your new position as Superintendent of the Hartford Public School System. We would like to extend our gratitude to you for your continuous support and as a symbol of our appreciation, we dedicate this yearbook to you, Dr. Eddie Davis.

# MEMORIAM

In Loving Memory of Latisha Pearl Andrade  
10/5/76 - 8/13/94

Man's days are like grass;  
he blossoms like the flowers of the field:  
a wind passes over them, and they cease to be,  
and their place knows them no more.  
So teach us to order our days rightly,  
that we may enter the gate of wisdom. (Psalm 103:15,16;  
90:12 Neb)

Captain Bruce Morgan poses with Coach Tom Hardy.

"It was a tough season due to the inexperience of our team. We had a young group with only one veteran. The young men showed a lot of heart and endurance. They improved their times every meet and finished stronger. The defeat of Fermi gave the team an emotional high," Coach Hardy said. "Next year's team will be stronger, and they will accomplish more victories."

Sha Bailey and Captain, Stephanie Roberts warm up before a meet.

The Girls Cross-Country team had a very successful season. Coach Lapenna said the team was successful because they were a group of talented young ladies, they showed positive mental confidence, a strong drive and determination but they also had the leadership of five terrific seniors. Coach Lapenna motivated her team by telling them, "If you put your heart and soul in whatever you do, you will be better." She strengthened that thought by telling her runners the only way to get better, and be the best, is by practicing every day. When I asked who was the best runner, Coach Lapenna said, "You can't say one best runner, because in order to win a meet, you need strong finishes from five girls and even the sixth girl also has to finish strongly because in close races she is the deciding factor." Coach Lapenna said her most promising runners for next year are, Keena Williams, Patricia Dixon, Shauna Green, Alesha Arscott, April Krausz, Donalyn Edler, Candice McGee and Nadia Shaw. "If all these runners come out next year and participate in every meet, we will be successful. "In one sentence sum up the season," asked the interviewer. "Very successful and precedence setting."

# WEAVER FOOTBALL

## Disappointing season for a talented team.

"The season was disappointing," said Coach Hodge. "We had the talent and the right attitude entering the season, but after suffering a tough loss to Bulkeley, the team broke down psychologically because they knew they were well prepared due to the tough training camp," said Coach Sullivan. Sullivan who has been coaching the Beavers for five years said this team had the most talent but they didn't realize their potential. Coach Hodge said, "We lost close games because of turnovers."

"Who was the best defensive player Coach Sullivan?", asked the interviewer. "James Jenkins, due to his consistence and leadership. He also made the all-conference team and received honorable mention for the all-state team," answered Coach Sullivan. The best offensive players were Wallace Reid due to his blocking, aggressiveness and strenght and also Omar Lockhart who showed he understood the game, quick thinker and showed speed.

Both coaches said the top players for next year are, Rondell Tyson, Jonathan Richardson and Josue. The coaches are confident that these players will carry on the tradition of the tough Weaver defense. Head Coach, David Hodge said he told his players to give 110% every week and never give up. He instills in there minds that their will be "ups" and "downs" but they have to keep focused. This was one of Coach Hodge's motivation techniques.

# WEAVER GIRL'S SOCCER

The Girls improve with the help of their Jamaica tour this past summer.

"The girls soccer team has improved tremendously, due to the things which they have experienced on the field," said Coach Chet Capiga. He further said that they would be even better if they learned to cooperate more with each other. Coach Capiga said he gratefully thank Mr. Keith Temple (assistant soccer coach) for his constant support.

"The girls soccer team is full of great potential and will continue to improve in their future endeavors," said Keith Temple. Both of the coaches said that next year the team will be led by three returning juniors: All-State, Keisha Boyd; All-Conference Ulandi Adams; and Candice Webster, who is sure to be an All-Conference player next year. The coaches also said that the players on this year's team have improved their skills but in their eyes the most improved player is a senior Chelsa Arscott (who has only played for the previous two seasons).

Yearbook: If you could change something about this year's team, what would it be?

Coach: If I could change the attitude of the guys, we would have been more successful.

Yearbook: Give us one word to describe the season.

Coach: Encouraging, due to the fact that we have a very young team.

Yearbook: Is there a single element that was missing from this year's team?

Coach: Next year, I think I'll make the players more accountable for their actions. For example, if a player forget his gear for a game, he will have to watch the game from the sidelines. Another thing is, I will give the junior varsity players more exposure in the varsity games, in order for them to gain some experience for the upcoming year.

Yearbook: What is the outlook for next year's team?

Coach: Next year's team looks very promising. The team will be very young, but the players should have gained experience from the state tournament. Our goal is to win at least ten games.

Yearbook: Thanks a lot coach. Good luck next season.

## TRACK

**B**oys track and field improved with the addition of many young and talented athletes.

Coach Ford said his boys were young but they improved a lot by seasons end. His team consisted of mostly Freshmen. Coach Ford's team was led by Senior Captain Daryl Gardner and Sophomore Khorri Francis. Coach Ford said that most of his runners practiced every day and competed in every meet and the dedication paid off. His 4x2 relay team made it to the state finals and his high jumper, Leroy Hamblin made it to the New England Championships. Next year's team have great potential to be very successful.

# WEAVER BOYS' BASKETBALL

Ray of hope at end of season stops at Xavier.

Yearbook: One word to describe the season?

Coach: Inconsistency

Yearbook: Could you elaborate on that statement?

Coach: We had a very talented team but we didn't play up to potential. We had a good quarter then we had a bad quarter. Our best games were our last three.

Y.B.: Do you consider the season disappointing?

Coach: Disappointing because of our bad record despite the talent we had on our team although we ended the season on a high note.

Y.B.: What is the outlook for next year?

Coach: We have a good team coming back next year. We are only losing five seniors.

Y.B.: Do you think injuries and ineligibility had a major impact on the season?

Coach: Except for Latroy Dale, injuries and ineligibility did not play a major role.

Y.B.: In your eyes who is the best player?

Coach: Omar Lockhart due to his consistency and his leadership on the court.

Y.B.: Who is your most improved player?

Coach: Scott Williams.

"This was our best season in years. We were 6th in the state out of 23 teams and we had many strong individual victories. We had a freshman who went undefeated for the entire season," said Coach Milner.

"The team worked very hard for long hours through the season, and it paid off in the State LL meet," said Coach V. who worked closely with the team. "The team will be good next year because we are only losing one senior," said Coach Milner. Overall both coaches enjoyed the success of this season but they can't wait for next year.
